Homework w/c 23rd November 2026

Answer these questions in your blue maths homework book.

Base Camp:
Use column subtraction to complete. e.g.:

1) 34 – 3 =
2) 95 - 2 =
3) 25 - 3 =

	H	T	O
		3	4
-			3

Climbing:
Use column subtraction to complete. e.g.:
You will need to exchange/borrow.

1) 195 - 57 =
2) 457 - 49 =
3) 556 - 38 =

	H	T	O
	1	9	5
-		5	7

Peak:
Use column subtraction to complete. e.g.:
You will need to exchange/borrow.

1) 564 – 177 =
2) 815 – 126 =
3) 265 - 196 =

	H	T	O
	5	6	4
-	1	7	7

Summit:
Mr Weeks has a box of cookies. There is a total of 236 cookies. 94 are chocolate chip. The rest are white chocolate. How many white chocolate cookies does Mr Weeks have? Show your working out.

Homework w/c 23rd November 2026

Answer these questions in your blue maths homework book.

Base Camp:
Use column subtraction to complete. e.g.:

4) 34 – 3 =
5) 95 - 2 =
6) 25 - 3 =

	H	T	O
		3	4
-			3

Climbing:
Use column subtraction to complete. e.g.:
You will need to exchange/borrow.

4) 195 - 57 =
5) 457 - 49 =
6) 556 - 38 =

	H	T	O
	1	9	5
-		5	7

Peak:
Use column subtraction to complete. e.g.:
You will need to exchange/borrow.

4) 564 – 177 =
5) 815 – 126 =
6) 265 - 196 =

	H	T	O
	5	6	4
-	1	7	7

Summit:
Mr Weeks has a box of cookies. There is a total of 236 cookies. 94 are chocolate chip. The rest are white chocolate. How many white chocolate cookies does Mr Weeks have? Show your working out.
