

Admission arrangements for Connaught Junior School – 2020/21

The Published Admission Number for initial entry to Connaught Junior School in 2020/21 will be 120.

Applications for admission at the normal intake for Year 3 will be managed in accordance with Surrey's coordinated scheme for primary admission. Applications for admission to Year 3 must be made by 15 January 2020.

Children with an education, health and care plan that names the school will be allocated a place before other children are considered. In this way, the number of places available will be reduced by the number of children with an education, health and care plan that names the school.

Where the school is over-subscribed for any year group, applications for entry in 2020/21 will be ranked in the following order:

1. Looked after and previously looked after children (see Note 1)
2. Children of staff who
 - a) have been employed at the school for two or more years at the time at which the application for admission is made
 - b) OR b) who have been recruited to fill a vacant post for which there is a demonstrable skills shortage (see Appendix 1)
3. Siblings of pupils on roll at Connaught Junior School, Bagshot Infant School, Windlesham Village Infant School and Valley End C of E Infant School, who are expected to still be on roll at either school on the date of admission.
4. Children attending Bagshot Infant School, Windlesham Infant School and Valley End C of E Infant School. (ranked by distance to the school)
5. Any other children (ranked by distance to the school)

If within any category there are more children than places available, any remaining places will be offered to children who meet that criterion on the basis of proximity of the child's home address to the school. The distance will be measured in a straight line from the address point of the child's home address, as set by Ordnance Survey to the nearest official school gate for pupils to use. This is calculated using the admissions team's Geographical Information System.

Notes

1. Looked after and previously looked after children

Looked after and previously looked after children will receive the top priority for a place. Looked after and previously looked after children will be considered to be:

- children who are registered as being in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989(a), e.g. fostered or living in a children's home, at the time an application for a school is made; and
- children who have previously been in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989(a) and who have left that care through adoption, a child arrangements order (in accordance with Section 8 of the Children Act 1989 and as amended by the Children and Families Act 2014) or special guardianship order (in accordance with Section 14A of the Children Act 1989).

Places will be allocated under this criterion when places are first offered at a school and the local authority may also ask schools to admit over their published admission number at other times under this criterion.

2. Siblings

A sibling will be considered to be a brother or sister (that is, another child of the same parents, whether living at the same address or not), a half-brother or half-sister or a step-brother or step-sister or an adoptive or foster sibling, living as part of the same family unit at the same address.

A child will be given sibling priority if they have a sibling on roll at Connaught Junior School and that sibling is still expected to be on roll at this school at the time of the child's admission.

A child will also be given sibling priority for admission if their sibling is attending Bagshot Infant School, Windlesham Village Infant School or Valley End C of E Infant School and that sibling is still expected to be on roll at that school or Connaught Junior School at the time of the child's admission, as these schools operate shared sibling priority.

This will apply both at the initial allocation of places and also when prioritising the waiting list. Giving sibling priority has the effect of maximising the opportunity for children in the same family to be educated at the same school or at a school which operates shared sibling priority.

3. Home address

The child's home address excludes any business, relative's or childminder's address and must be the child's normal place of residence. Where the child is subject to a child arrangements order and that order stipulates that the child will live with one parent/carer more than the other, the address to be used will be the one where the child is expected to live for the majority of the time. For other children, the address to be used will be the address where the child lives the majority of the time. In other cases, where the child spends an equal time between their parents/carers, it will be up to the parent/carers to agree which address to use. Where a child spends their time equally between their parents/carers and they cannot agree on who should make the application, we will accept an application from the parent/carer who is registered for child benefit. If neither parent is registered for child benefit we will accept the application from the parent/carer whose address is registered with the child's current school or nursery.

We will not generally accept a temporary address if the main carer of the child still possesses a property that has previously been used as a home address, nor will we accept a temporary address if we believe it has been used solely or mainly to obtain a school place when an alternative address is still available to that child. All distances will be measured by the computerised Geographical Information System maintained by Surrey's admissions team.

The address to be used for the initial allocation of places to Year 3 will be the child's address at the closing date for application. Changes of address may be considered in accordance with Surrey's coordinated scheme if there are exceptional reasons behind the change, such as if a family has just moved to the area. The address to be used for waiting lists, after the initial allocation, will be the child's current address. Any offer of a place on the basis of address is conditional upon the child living at the appropriate address on the relevant date. Applicants have a responsibility to notify the school and Surrey County Council of any change of address.

4. Tie breaker and the admission of twins, triplets, other multiple births or siblings born in the same academic year

Where two or more children share priority for a place, e.g. where two children live equidistant from a school, random allocation will be used to determine which child should be given priority.

In the case of multiple births, where children have equal priority for a place, random allocation will be used to determine which child should be given priority. If after the allocation one or more places can be offered but there are not sufficient places for all of them, wherever it is logistically possible, each child will be offered a place. Where it is not logistically possible to offer each child a place the child(ren) ranked the highest will retain their offer and the applicant will be advised of their right of appeal and informed about waiting lists.

5. Waiting lists

Where there are more children than places available, waiting lists will operate for each year group according to the oversubscription criteria for the school without regard to the date the application was received or when a child's name was added to the waiting list.

Waiting lists for all year groups will be maintained until the end of the Autumn Term when they will be cancelled.

Applicants who wish to remain on the waiting list after this date must re-apply for in year admission by contacting the school's admissions officer, Mrs Staniforth on school@connaught.surrey.sch.uk

6. In-year admissions

The following applications will be treated as in-year admissions during 2020/21:

- applications for admission to Year 3 which are received after 1 September 2020;
- all other applications for admission to Years 4 to 6.

Where there are more applications than places available, each application will be ranked in accordance with the published oversubscription criteria for the school.

7. The admission of children outside of their chronological year group

Applicants may choose to seek a place outside their child's chronological (correct) year group. Decisions will be made on the basis of the circumstances of each case and what is in the best interests of the child concerned.

- Applicants who are applying for their child to have a decelerated entry to school, i.e. to start later than other children in their chronological age group, should initially apply for a school place in accordance with the deadlines that apply for their child's chronological age. If, in liaison with the headteacher, governors agree for the child to have a decelerated entry the place cannot be deferred and instead the applicant will be invited to apply again in the following year for the decelerated cohort
- Applicants who are applying for their child to have an accelerated entry to school, i.e. to start earlier than other children in their chronological age group, must initially apply for a school place at the same time that other families are applying for that cohort. If, in liaison with the headteacher, governors agree for the child to have an accelerated entry, the application will be processed. If it is not agreed for the child to have an accelerated entry, the applicant will be invited to apply again in the following year for the correct cohort

Applicants must state clearly why they feel admission to a different year group is in the child's best interest and provide what evidence they have to support this. More information on educating children out of their chronological year group and the process for making such requests is available at www.surreycc.gov.uk/admissions.

8. Home to school transport

Surrey County Council has a Home to School Transport policy that sets out the circumstances that children might qualify for free home to school transport. Generally, transport will only be considered if a child is under 8 years old and is travelling more than two miles or is over 8 years old and travelling more than three miles to the nearest school with a place. Transport will not generally be provided to a school that is further away if a child would have been offered a place at a nearer school had it been named as a preference on the application form, although exceptions may apply to secondary aged children whose families are on a low income if they are travelling to one of their three nearest schools and to children whose nearest school is out of County but over the statutory walking distance.

Eligibility to transport is not linked to the admission criteria of a school. Some schools give priority to children who are attending a feeder school, but attending a feeder school does not confer an automatic right to transport to a linked school. In considering admission criteria and school preferences it is important that applicants also consider the home to school transport policy so they might take account of the likelihood of receiving free transport to their preferred school before making their application. A full copy of Surrey's Home to School Transport policy is available on Surrey's website at www.surreycc.gov.uk or from the Surrey Schools and Childcare Service on 0300 200 1004.

Children of staff who a) have been employed at the school for two or more years at the time at which the application for admission is made OR b) who have been recruited to fill a vacant post for which there is a demonstrable skills shortage.
