# Curriculum Drivers

## Caring Community

I am the child who can appreciate the changes that have been made over time and how we live differently from then and now.

## Learning & Leading

I am the child who can understand that knowledge about the world around me empowers me to make my own decisions about our school community.

## British & Global Values

I am the child who can recognise how British values, and the monarchy have influenced our country and influence the way in which we live.

## Wellbeing & Being Well

I am the child who can understand how Windsor and its surroundings have been influenced by trade routes and the prominence of royalty, and how this has influenced the people who live here.

## Enterprise & Effort

I am the child who can understand that the settlement of the monarchy in Windsor has created the town it is today.

## Identity and Uniqueness

I am the child who can understand that our planet is unique and that we are all linked by our common identity as humans.
