

Homework w/c 2nd February 2026

Answer these questions in your blue maths homework book.

Base Camp: Multiplication grids:

1) $15 \times 2 = \underline{\hspace{2cm}}$		
x		

1) $22 \times 3 = \underline{\hspace{2cm}}$		
x		

1) $35 \times 4 = \underline{\hspace{2cm}}$		
x		

Climbing: Draw a multiplication grid for the following calculations:

- 1) $22 \times 8 = \underline{\hspace{2cm}}$
- 2) $57 \times 4 = \underline{\hspace{2cm}}$
- 3) $63 \times 5 = \underline{\hspace{2cm}}$
- 4) $44 \times 7 = \underline{\hspace{2cm}}$

Peak: What mistake has been made in the following calculations?

1) $35 \times 5 = 35$		
x	30	5
5	15	25

2) $42 \times 6 = 246$		
x	4	20
6	24	120

3) $55 \times 3 = 300$		
x	5	50
3	150	150

Summit:

- 1) Draw a grid to solve this word problem: There are 30 sunflower seeds in a packet. How many seeds would there be in 4 packets?
- 2) Draw a grid to solve this word problem: There are 3 medals in each packet, we need 3 medals per race. There are 16 races happening today. How many packets of medals do we need?

3) Missing numbers:		
x	40	6
3		18

4) Missing numbers:		
x		4
3	150	12

5) Missing numbers:		
x		
5	250	40
