

Maths- Properties of shape - 22nd June 2026

1. How many sides does a hexagon have?
2. How many sides does a pentagon have?
3. Which 2D shape has 4 equal sides and 4 right angles?
4. A triangle has 3 sides. True or false?
5. Which shape has no corners?
6. How many vertices does a cube have?
7. Name the 3D shape that has:
 - 2 circular faces
 - 1 curved surface
8. Which of these shapes is a quadrilateral?
 - Pentagon
 - Rectangle
 - Triangle
9. Which shape has:
 - 6 rectangular faces
 - 8 vertices
10. Look at this statement:
"A square is also a rectangle"

Is this:
 - Always true
 - Sometimes true
 - Never true

Explain your reasoning.

SPaG- Prefix and suffix- 22nd June 2026

1) Write the word that matches the definition/description and underline the prefix/suffix. **The first has been done for you.**

When you don't want to break a glass, you hold it: Carefully

When you have to write something again you: _____

If an animal has poison in its tail, it is: _____

When someone holds onto hope, they are: _____

2) Draw a line to match the prefix to the root word.

un

appear

dis

tidy

mis

popular

un

behave

3) Circle all the words from the word family 'tion' in the sentence below:

The train station was still under construction, so the family took action and decided to walk to their grandma's house.

4) Add a prefix or suffix to change the meaning of these root words:

Heat
Spell
Agree
Play
