

HOME BAKING COMPETITION

By Grace C-W

Home baking competition!

Information:

- During half term you could organise a home baking competition. For this you could bake anything from cakes to bread! You can decorate it however you like and then take a picture and send it in with your name, year and house for us to judge! You could also describe what ingredients and decorations you used. And maybe it's nutritional value! Points go to presentation and how healthy it is.
