

The Tudors: Terrific or Terrible?

Areas of Learning

As Historians we will be gaining an insight into the way of life in Tudor times. We will be researching how the Tudor dynasty began and the changes that occurred in Britain during the Tudor monarchy.

As Geographers we will be using maps to look at how explorers travelled around the seas making new discoveries.

As Scientists we will be learning about States of Matter (Solids, Liquids and Gases).

As Musicians and performers we will be enjoying singing Tudor songs, listening to and writing our own music.

As Artists we will be using a range of mediums and appreciating portraits of the time whilst focussing on using scale and proportion.

As Design Technologists we will be cooking and tasting Tudor food. We will also design and create our own Tudor style crowns.

As Sports people we will learn a range of games and sporting activities through weekly PE lessons.

Enterprise

As enterprising people we will:
Develop investigative strategies to work collaboratively as effective researchers, understand how to be resourceful and that enterprising actions can elicit change that can be positive or negative.

Global Citizens

As global citizens we will:
Consider the impact of religious discord, the politics of the time and the consequences of the monarchy's actions.

Well Being

As people concerned with well being for all we will:
Learn about the importance of a varied diet and the living conditions on each side of the class divide. We will explore how leisure activities impacted on people's well being.

Communities

As members of a community we will:
Compare and contrast different community groups and look at the varying lives of people according to their position in society.
