

# Crime and Punishment Year 6

## Areas of Learning

As writers, we will be using shifts in formalities to write an information text about crime across the ages.

As historians, we will compare punishments for crime used throughout history compared to 21<sup>st</sup> century punishments.

As Artists, we will observe and draw detailed sketches of faces, linking to the use of mugshots in Victorian times.

As technologists, we will use Scratch to use logical reasoning to detect and correct errors in algorithms.

### Enterprise

As enterprising people we will:

Discuss how the court system has been used throughout history and debate the most effective use of trials and punishments.

### Global Citizens

As global citizens we will:

Discuss how changes in crime and punishment has affected life today in many European countries.

### Well Being

As people concerned with well being we will:

Learn how the well being of prisoners has changed throughout history.

### Communities

As members of a community we will:

Discuss the use of modern punishments in keeping communities safe.
