Make a rainbow out of...

Skittle Rainbow

Mosaic
Rainbows

Cotton Bud
Rainbow

Tissue Paper
Rainbow

Bunting Rainbow

Chalk Rainbow

Rainbow Flowers

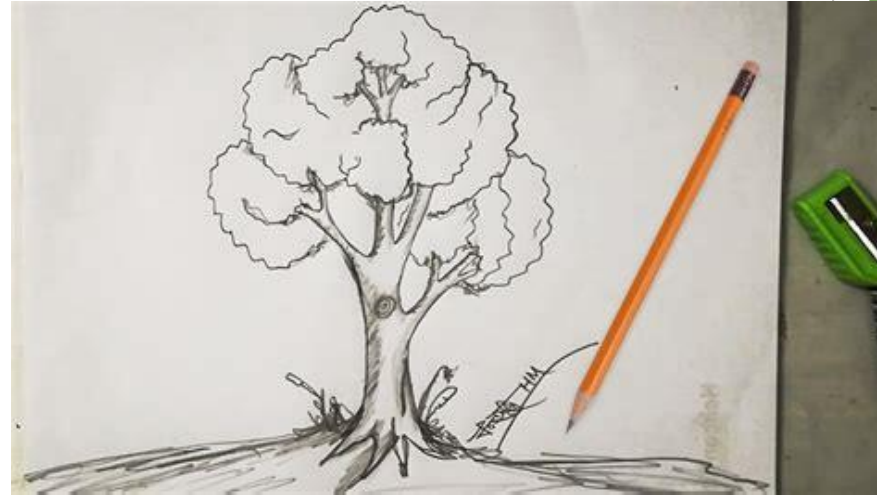

Food Rainbow

Appreciate our beautiful world on a Walk or Cycle or in your garden

Leaf Rubbings

Sketch anything you see

Plant a seed, watch it
grow

Collect something
unusual

Den Building (In and out)

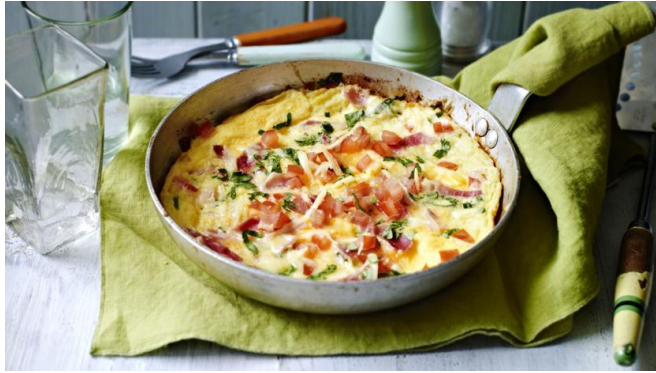

Build a den in the garden or inside the house, using what you already have (ask permission)

Making Food

https://www.bbc.co.uk/food/collections/10_easy_recipes_for_kids

One yummy example (please ensure you have an adult with you at all times).

Ingredients

- 3 free-range eggs
- 1 tbsp milk
- 1 tsp butter
- 1 tomato, finely chopped
- 2 tbsp grated cheddar
- 1 tbsp finely chopped fresh parsley or 1 tsp dried parsley
- 2 thin slices good-quality ham
- salt and pepper

Method

Take your eggs and crack them into a bowl - don't put them directly into the pan as you need to mix them first! Add a pinch of salt and pepper to the eggs and stir in the milk.

Beat the eggs with a fork, first use the fork to break the yolks of the eggs (this makes beating the eggs easier). Then tip the bowl gently and using a fork in a circular motion beat the eggs until the yolks and whites are combined and the mixture has an even colour.

Bring your pan to a high heat and add the butter. Pour in your egg mixture and cook on a high heat for 2 minutes, making sure that the mixture is spread out evenly. Reduce the heat.

As the egg begins to set, use a spatula to push the set egg towards the omelette centre, tilting the pan so the runny egg fills the space. Add the tomatoes and most of the cheese and parsley. Arrange the ham on top.

Cook the omelette for another minute, then loosen the edges with a spatula. Slide the omelette from the pan onto a warmed plate, tilting the pan so that the omelette folds nicely on the plate.

Sprinkle with the remaining cheese and parsley, then serve •

Take a photo or video of something you ate,
you saw or something that made you smile 😊

Always ask permission from your adult first

Times Table Wars

Can you be the Champion ???

The game is simple, get 20 small square pieces of paper or card and write numbers 1,2,3,4,5,6,7,8,9,10,11,12 on each of 10 pieces and the same on the other 10 (1 number on each card)

Two players draw a card from a pile. They then flip their cards over and the first person to correctly guess the total of the two cards multiplied together gets to put the cards in their winning pile.

For example, if a 3 and a 7 are flipped over, the first person who says 21 gets to keep the two cards.

The person with the most cards in their winning pile at the end of the game wins.

PAINT DRAW COLOUR

Spelling Challenge

- ▶ Cut up pieces of your favourite fruit or snack.....place it on a plate
- ▶ Write 5 of your spelling words on a piece of paper or card
- ▶ Turn the cards face down
- ▶ Choose a card, turn it over and remember the word
- ▶ Write it down.....
- ▶ Keep repeating until you have written 5....
- ▶ Check your answers
- ▶ For all correct answers, eat a piece of snack
- ▶ Keep going until all are correct and all snacks have been eaten
- ▶ YUM YUM

Make a messy map 😊

Use materials to make a map, family tree or treasure map

Make your very own Abacus.

Make your own Abacus

Write down some sums and ask somebody to use your Abacus to get the answers...

Decide on some simple prizes!

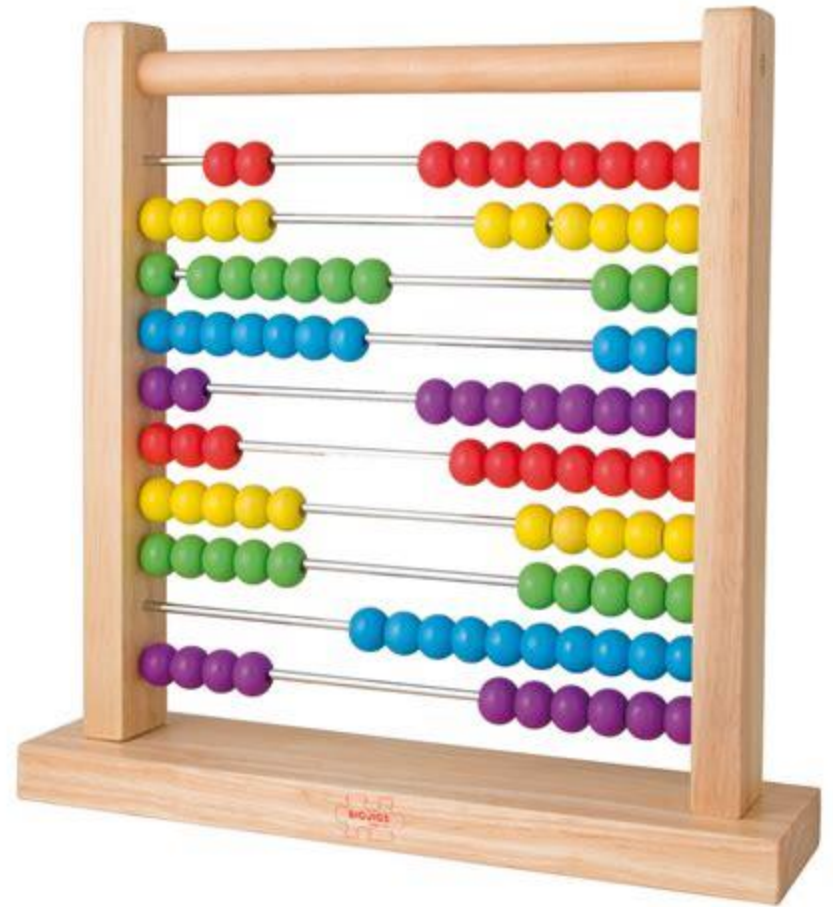

A jump on a trampoline

A run around the garden

A swing on the swing
