Review: Autumn 2025

At Connaught Junior School, we believe that the children work best in a safe, secure, stimulating and challenging environment where parents, teachers and children work together in mutual support. In order to do the best for each pupil, we believe that there should be an agreement between the school, parents and children over the key aspects of that mutual support.

THE SCHOOL - CONNAUGHT JUNIOR SCHOOL WILL:

- Provide a foundation for a life-long love of learning
- Uphold our values of being caring, confident and committed
- Welcome and encourage parents' interest and involvement in school life
- Provide a broad, creative and balanced curriculum that upholds fundamental British values
- Assess your child regularly and plan new learning to meet their needs
- Set and monitor home learning
- Provide opportunities for you to discuss your child's progress with the teacher and keep you informed with general school matters
- Provide rigorous safeguarding training, systems and procedures so that all children grow up in circumstances consistent with the provision of safe and effective care.
