Arts and Crafts DT- If you love to express yourself using pencils, pastels and paints, this is the club for you!

Chess- Glide like a bishop, jump like a knight... Suitable for first timers and grandmasters alike. Chess Club is a great opportunity to learn and play this fantastic game

Choir- Choir Club! If you like singing, come and join the choir club! In May we hope to be joining other schools singing in the Princes Hall, Aldershot! A great experience for all!

Diamond Cricket- Learn to bat, field and bowl by playing cricket!

Girls Football- Come and improve your football skills and learn the beautiful game! In association with Windlesham Girls Football Club

Rounders- Enjoy rounders, want to have some fun? Come and join Rounders club and improve your skills for the game.

Speedball- If you enjoy playing handball, basketball and football, well this game for you! Come and play the fast-paced game where you can score goals by either kicking or throwing the ball. I'll see you on the court!

Steam Club- Come and explore Science, Technology, Engineering, Art and Maths with a variety of STEAM-based challenges and experiments!
