Teacher-led clubs will start the week beginning 20th April 2026 and will run until week beginning 6th July 2026 unless otherwise advised

Board Games-Have you got the skills to beat your friends in some epic board games? Or do you want to join forces and roll the dice with your team? With lots of different board games to play each week, if you like a competitive and light-hearted game, this club is the one for you.

Chess- Whether you're a beginner or a budding grandmaster, come join us to play exciting games and learn cool strategies, all in a friendly, fun-filled atmosphere. Let's checkmate boredom together!

Choir – If you enjoy singing and would love to be involved in concerts throughout the year and may even have the chance of singing a solo, then come and join Choir Club!

Construction- Come along to Construction Club and put your building skills to the test with LEGO, K'NEX and amazing magnetic creations. Get ready to design, build and imagine as you take on exciting challenges and create something awesome.

Cultural- Come and experience hands on activities and learn about different 'cultures around the world'. We'll find out about their languages, stories and folk tales, music and games.

Fitness- Join fitness club for weekly running, jumping, skipping and many more! Each week will have a different fundamental focus to make you stronger!

Girls Football- Come and learn how to play the beautiful game in a supportive and fun environment!

Musical Theatre- Do you enjoy acting, singing and dancing? This club will help you uncover your hidden talents and build new skills. Together, we will create a fantastic performance for your peers and families. If you love to perform, this is the club for you!

Rounders- Test out your teamwork skills by joining our Rounders Club. Games guaranteed each week.

STEAM- Come and explore Science, Technology, Engineering, Art and Maths with a variety of STEAM-based challenges and experiments!
