

Friday 5th June 2026

Dear Year 6 Parents and Carers,

We are finally here! Summer 2 is the last term before our Year 6 children leave us to start the next step in their education.

This half term is extremely busy for Year 6 as we experience more key milestones and pack in lots of opportunities to celebrate all our achievements. This letter will give you an outline of what is coming up and give you some key dates for your diaries.

SATs

The children were amazing during SATs week – staying relaxed, confident and giving each tests their full effort. You will receive your child's results in a sealed envelope with their end of year report during the week commencing 6th July. Whatever mark the children receive, they should all be extremely proud of how they have handled the tests and the attitude that they have shown.

Secondary School Transition

This term, we will be supporting the children to feel ready for secondary school by completing Smart Moves transition lessons. These lessons give children practical tips about starting the new phase of their education as well as giving them the opportunity to discuss any concerns and worries that they might have. If your child is feeling especially worried, please do not hesitate to contact your class teacher to discuss how we can jointly support them.

Curriculum

Even though SATs is over, there is still plenty left in the curriculum for us to cover. Our topic this term is a geography-based topic entitled 'Living Together in One World'. Please find our Summer 2 theme overview attached.

Year 6 Show

Each year in the summer term, our Year 6s perform a fantastic end-of-year show. Next week, your child will find out their role in the show and any lines that they may have. Please support them to learn their lines, practise songs and provide any costume items that they may need. The show will be performed on Wednesday 8th July, with an afternoon and an evening performance. Details of how to book tickets will be sent out nearer the time.

Graduation

To mark the end of the children's time at Connaught, parents are invited to attend a Graduation ceremony on the evening on 14th July. This is a wonderful opportunity for us to formally say goodbye to the children and celebrate their time with us.

In addition to the ceremony, children will also have a 'graduation photo' of them taken on 25th June. This is taken with them dressed in a graduation gown, sash and cap. More details about both will be sent nearer the time.

Headteacher: Miss S McGann

Deputy Headteacher: Miss K Whiting

The Alliance-Multi-Academy Trust is a charitable company Limited by Guarantee registered in England

Registered number: 0856427 Registered Office: c/o Windlesham Village Infant School, School Road, Windlesham, Surrey, GU20 6PB

And finally...

If you have any questions or concerns, then please do get in touch. Please email us directly on our class email addresses and we will respond within 48 hours. Alternatively, you can phone or email the school office. We always aim to foster positive relationships with our parents so if you have a question about anything, approaching us directly is the best way forward to ensure that we can support you effectively.

Kind Regards

Mr Stevens
