

Connaught
Junior School
"Caring, Confident, Committed"

Monday 29th June 2020

Dear Year 2 Parents and Carers,

I hope that you and your children enjoyed watching our video tour of the school and finding out a bit more about Connaught Junior School. I am pleased to announce that we now have more information available for you and your children detailing life at Connaught Junior School.

For parents, we have a video presentation and booklet providing details of what you will need to know as a parent at Connaught Junior School. These cover topics such as uniform, lunches and parking.

For our children, we also have a **Welcome to Connaught** PowerPoint presentation produced by some of our amazing Year 6 House Captains. This gives a child perspective of what your child will need to know at Connaught and covers such things as break times, houses and learning. Our Year 6s embraced the challenge of creating information for the new children so wonderfully that we have also uploaded a few other booklets that your child may be interested in reading. These contain largely the same information as the main presentation but are presented in different ways and give different children's perspectives.

The video presentation, booklet and children's presentations can all be found on the **Year 3 Transition** page of our website. <https://www.connaughtjuniorschool.co.uk/page/?title=Year+3+Transition&pid=108> All information, including our first video, will stay on the website throughout the summer.

Please note that the information presented in these documents refers to a 'normal' period at Connaught Junior School. It is likely that our school day may appear differently in September to reflect the latest Covid-19 guidance. Any changes to our normal routine for September will be communicated to you separately.

This week your child will receive further correspondence confirming which class they will be in, who their teacher will be and which house they will be joining. I imagine that they are very excited to discover this information!

Should you have any questions regarding any of this information, please contact us at transition@cjs.tamat.org.uk

We hope you and your children are excited about the move to Connaught Junior School and that this information helps you in your preparation for life at Connaught.

Yours faithfully,

Mr Stevens

Headteacher: Miss S McGann

Deputy Headteacher: Mrs K Saunders
