

### **Kit list**

Children attending Connaught Junior School must have a well-stocked pencil case containing the following items:

- Writing pencils
- Whiteboard pens
- Pencil sharpener
- Rubber
- 30cm ruler
- Glue stick
- Red biro (known as a 'red responding pen')
- Pair of children's scissors
- Colouring pencils

### **COVID-19 Update**

We do not permit felt tip pens to be used in books, and due to the children not using trays and keeping bags under desks, we would ask that children do not bring felt tip pens with them to school.

Please ensure that **everything** in their pencil case is named, as well as their water bottle.

While we understand that children enjoy the novelty of having their own pencil cases and stationery, could we please ask that you consider whether certain pencil cases and items will act as too much of a distraction when purchasing them for your child. This is especially true of the current situation where children need to be bring minimal items into school.

Thank you
