

18th September 2020

Dear Parents and Carers,

As you may be aware, we are approaching our annual Harvest festival, which Year 5 celebrate each year. As we unfortunately cannot organise our usual year group assembly, we have instead opted to create a short Harvest Movie in each class.

Each class will be creating their own movie and your class teacher will be providing your child with details of this shortly. **In order for your child to be recorded for the movie, please email your child's class teacher with written permission on their class email address.** Any child without permission will still be able to take part in the production of the movie, but will not be seen on camera. In order for the movies to be recorded in time, please ensure you have emailed your class teacher by **Tuesday 22nd September.**

The Harvest Movie videos will be used as virtual assemblies to be shown to the rest of the school, similar to how Year 5 would have performed a whole school assembly. The videos will also be uploaded onto the school's YouTube channel, meaning they are only accessible via the video URL. You will receive the link to your child's class movie to watch with them at home.

Please speak your child's class teacher if you have any questions and they will be happy to help.

Many thanks,

The Year 5 Team
