Connaught Junior School Recipe Book

We have been thinking about different ways to fundraise for the school and we know a lot of children enjoyed baking and cooking over the lockdown period, so we would like to create a [Connaught Junior School Recipe Book](#) that would be available to buy in time for Christmas.

We are hoping that the children (and teachers!) will submit their favourite recipes to be included in the book. The recipes can be for food (sweet treats, starters, mains, snacks, lunch ideas etc.) or drinks (milkshake concoctions were a favourite over the summer!).

We cannot give an exact cost for the recipe book as this will depend on how many recipes we receive, but we estimate it will cost around £10 to buy.

The recipes will need to be provided on an A4 sheet of plain, white paper by the [Monday, 16th November](#), via your child to their class teacher. Recipes can be printed or handwritten; in black and white or colour and feel free to add drawings or photos.

Please ensure your child's name and class is included on their recipe.

We really hope that the children will want to be involved in the creation of this lovely keepsake.

Kind regards,

Connaught Junior School PTA
