## Dear Students, Staff and Parents

We wanted to say thank you for your most welcome recent Harvest donations especially as we know many of you have had to adapt your normal collection method to comply with this strange new world we find ourselves in.

As with many organisations, 2020 has been an extraordinary year. We were grateful that Surrey Heath Prepared were able to take over our parcel deliveries during the first lockdown but we are now back up and running with Covid safe procedures which mean we are able to continue operating during this second lock down. However, with many of our collection points still not fully open, your donations are welcome more than ever.

A Huge thank you on behalf of the team and our recipients. Together we are making a difference to the quality of lives of so many in Surrey Heath both physically and psychologically.

From the Besom in Camberley Team
