Dear Connaught Parents and Carers,

HEADTEACHER FOR THE DAY

I wanted to let you know about an exciting upcoming opportunity that we run every year at Connaught, but have been unable to since 2019. We love providing leadership responsibilities for our children, and they don't get much bigger than this!

For one day only, I relinquish control of the school to a new Head - a Connaught child. To be in with a chance of securing this fantastic post, your child will need to apply in whichever way they wish, explaining;

- a) why they think they would make a good Headteacher
- b) what they think the job entails
- c) ideas they have for school improvement.

I would like the applications to be completely in the children's own words, although you may wish to assist with advice. They should address the applications to **Miss McGann**, to be handed in or emailed by Tuesday 17th May. Applicants will be shortlisted and I will conduct an interview (a chat) on Wednesday 18th May. The successful child will take up their position on Friday 20th May.

All applications should explain why they would make a great **Headteacher**. This opportunity is open to all year groups.

I very much look forward to reading the children's applications.

Kind regards

Miss McGann
